

## The Seanna and Nicole Strongman Memorial Scholarship

**Eligibility:** There are three scholarships offered in the program, for second, third and fourth year students respectively. The Seanna and Nicole Strongman Memorial Scholarships recognize “all round” student achievement, in addition to providing financial assistance at a time when that support is more important than ever.

The scholarships are awarded to students who, on the completion of their first, second or third year of study, are judged highest in the following five equally weighted categories: 1) academic achievement; 2) Huron citizenship; 3) community service; 4) involvement in athletics and the arts; 5) leadership.

The endowment in the Vancouver Foundation was established in 1993 by the Strongman family in the names of their daughters, Seanna and Nicole, who, at the ages of 15 and 11 respectively, died tragically on December 31, 1982, in a motor vehicle accident. Their father, Mr. W. Gerald Strongman graduated from Huron in 1963, and was later appointed National Chairperson of the Huron College Parents’ Association. The scholarships provide a meaningful tribute to the memory of Seanna and Nicole.

To apply, you must be a full-time Huron student returning to Huron in 2018-2019. For senior scholarships, first-class standing is defined as a minimum average of 80% on no less than the equivalent of five full-year courses taken between September and April.
